

Q2S SERIES

Q2S Series - 30A Quarter Brick DC/DC Converter

48V Input

1.5V to 3.3V Output

APPLICATIONS

- Distributed Power Architectures
- Telecommunications Equipment
- LAN/WAN Applications
- Data Processing Applications

DESCRIPTION

The Q2S DC/DC converters offer unprecedented performance in the industry-standard Quarter Brick format. This is accomplished through the use of patent pending circuit and packaging techniques to achieve ultra-high efficiency, excellent thermal performance and a very low profile. The Q2S 30 A modules provide exceptional thermal performance. The low profile (<0.30") of the modules and no need for a heatsink minimize airflow shadowing, which enhances cooling for
